

A HAPPY DAY

Last Thursday was a holiday. Mary and her brother went out early in the morning. Their aunt brought them to the Botanic Garden.

When they reached there, Mary saw many tourists. There were many lovely and colorful flowers. After that their aunt took some photographs of them. They walked around the garden for about one hour.

Next they went to the West Coast Park playground. There were slides, swings and see-saws. Mary and his brother had a happy time playing in the park. By then, it was lunch time, they felt hungry.

Their aunty brought them to a coffee house at Western Plaza to have their lunch.

It was evening when they reached home. They were very happy to have an enjoyable day.
